LOVELY & LUSCIOUS

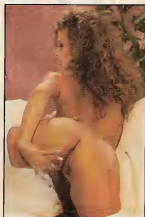

I'm glad you started doing interviews with some of the models in the magazine. All the girls are good-looking. That's one thing about **TAILENDS** you can count on, attractive models and excellent photography. The interviews add another dimension, however.

Loretta, in your March issue, is not only lovely to look at. Judging by her answers to your questions, she's the genuine "girl next door." She loves

her body, but she isn't a stuck-up bitch because she knows she's gorgeous. And I like that she's not into lesbian sex, as so many of the models say they are. I don't have anything against lesbians. It's just that my fantasy has to do with meeting a girl-next-door type who is crazy for cock. When she sees mine, it's the only one she ever wants. Now, if only that girl could be Loretta, I'd be a very happy man!

FULL MOON RISING

I love the shots in which the photographer aims the camera at the model's ass from the floor, so we're looking up her legs at her naked bottom and wet pussy. I've enclosed page 15 from the March **TAILENDS** to show you what I mean. I find this pose particularly stimulating. In fact, when I see a shot like this in the magazine, it is impossible to not jerk off. I get so hard, I have no choice!

Also, I agree with the reader whose letter you printed a

BAD ASSES

When I turned to page 56 of the March issue, I almost fainted. "Fetish Fannies" is the best section you ever printed in the magazine. Please continue this feature every month. If you do, I am definitely going to subscribe to the magazine and guarantee I never miss a copy. Every photo in this section is awesome. The first is the best, though. The girl, the pose, her ass, those thigh-high stiletto boots...my dick is aching just thinking about fucking her. Bossy babes turn me on. I wouldn't care if she made me beg and kiss her ass first. I'd do it gladly, and ream out her bunghole with my tongue if she wanted.

I never wrote to a magazine before, but now I have to. Up until now, **TAILENDS** has been one of my favorite magazines. Now, however, it is my only favorite magazine, period!

couple of issues back, who said hairy pussies are a turn-on but a hairy ass is not. I want to have an unobstructed view of each and every asshole in the magazine. If you buy a pussy magazine, you want to see wide-open pussy shots. I'm sure I speak for the majority of the magazine's readers when I say that we buy an ass magazine like **TAILENDS** to see wide open butt shots. The holes, not just the cheeks! Page 45 in the same issue is exactly what I mean. This is the kind of ass I buy **TAILENDS** to see!

ACCIDENTAL ENTRY

When the March issue of **TAILENDS** arrived, I gave it to my husband and he took it into the living room. I expected he'd be after me for some nooky in a little while, but then I heard him laughing and I had to ask why. He showed me Annette's pictorial and told me she lost her anal cherry same way I did, by accident.

My husband and I were watching a porn movie. I was sitting on his lap, my back

against his chest, his hard-on sticking up between my legs. He was watching the way the blonde in the movie was chowing down on one cock and taking another in her pussy. My attention was on the two studs and their male equipment. Eager for cock, I raised up and jammed my pussy down on my husband's hard-on. While we fucked, I kept watching the movie, wishing I could take the blonde's place with the two studs. When I lifted off my husband's cock and then sat down on it again, I didn't realize right away that his cock was in my ass. When I did, he was already all the way in and we both were loving it. Like Annette, I never said no to ass fucking again!

I'm glad my husband's choice in men's magazines is **TAILENDS**. It's a lot classier than some of the rags I see in the stores.

FRENCH TWISTS

It excites me when I look at the pictures in **TAILENDS** and imagine fingering all the pretty asses from cover to cover. When a woman lets you finger her ass, it's a pretty clear indication she'll probably let you fuck it. At least, that's been my experience.

I went out with a young woman named Erin, who looked a lot like the model on page 27 of your March issue. She was the only woman who ever asked me to lick her ass. And what a surprise it was when she wanted to lick mine

at the same time. I'd sixty-nined before, but never for anal oral. I came all over my stomach and she popped on her fingers. Then we fucked and my next cum was, well, anticlimatic!

CUSHY TUSHIES

I don't want to see fat butts in *TAILENDS*, but I would like to see more rounded bottoms in every issue. Some of the models are too thin. There's no depth to their cracks. I enjoy caressing the woman's ass while fucking, whether she's on top or on the bottom. When her cheeks are full, there's so much more ass to hold on to. When she's too skinny, I can feel her bones and that is a turn-off.

The blondes this month (March) are especially appealing. But then, I've always been partial to blondes. I think that's because I'm dark-haired myself and opposites

do attract. I also like redheads and would like to see more carrot tops in the magazine. But any model with a bubble butt or a heart-shaped rear and deep cheeks will get me off just the same. Keep up the good work!

LATE CUMMER

I loved the interview you did in your December 1995 issue, with Carrine. She is the most beautiful woman I've ever seen naked. When I bought my issue and got to her photos, my penis was throbbing from just looking at her nice ass and her whole body. Seeing her in the bathtub made me want to jerk off and shoot a hot load all over the pages. I could imagine myself in the bathtub, giving her a wash, then licking her asshole. She has the type and size of ass I love to see on any kind of woman. As a matter of fact, she is a goddess. If she

would let me, I would be there to fill her every need, no matter what she desired, or when. I would rub her ass with baby oil and cocoa butter to keep it looking fantastic.

SEAT SNIFFER

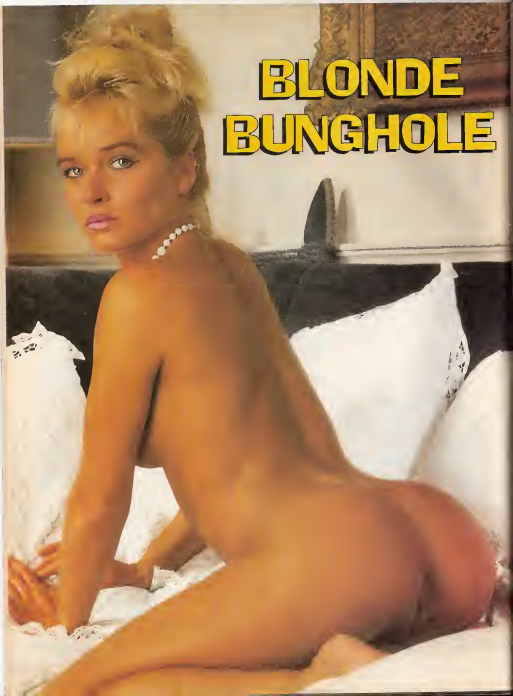

I'd like to suggest a new section for *TAILENDS*, my favorite magazine. How about a pictorial featuring smooth, creamy asses sitting on bicycle seats, bar stools, fire hydrants, and whatever else your clever editorial staff can think of? The top of the fire hydrant poking between the model's ass cheeks would be very erotic without being overly raunchy. So would be a lovely pair of buns spilling over the side of a small three-legged stool as the model has to squat really low to sit on it.

At the risk of being considered odd, I must confess I enjoy sniffing anywhere a female ass has been. I used to go to a coed gym and watch who used the exercise bikes. When a female did, whether I found her attractive or not, when no one was watching, I'd go over and sniff the seat after she was done. Sometimes, I'd get an erection and have to wait a while before I could leave and go home to jerk off.

Please consider my suggestion. If you print my letter, maybe other readers of *TAILENDS* will write in and say they think so, too.

BLONDE BUNGHOLE

WIDOW

Her first layout appeared in **BIG BUTT**, now she's planning to dance and do more modeling. With her big, oh-so-hot derriere and luscious breasts, she's sure to make a big hit!

TAILENDS: You referred to being photographed nude as a "freeing experience."

WIDOW: Uh-huh. There was a time when I wasn't too comfortable about my body. All this "think thin" stuff got to me, I guess.

TAILENDS: So, now you feel differently about yourself.

WIDOW: Well, now I can let myself love my body. It helps a lot that guys get horny looking at me, too.

TAILENDS: Is that a thrill for you?

WIDOW: It's not a super turn-on, like I've heard some women say. But when a cock gets stiff the minute I bare my butt, well, that's a hell of a compliment!

TAILENDS: When you're with a guy, does he concentrate on your butt?

WIDOW: Oh, yes. He'll lick it, and squeeze it, or he'll lick and squeeze at the same time. I swear, by the time he gets his prick in my pussy, I'm already halfway to orgasm!

BRUNETTE BUTTS

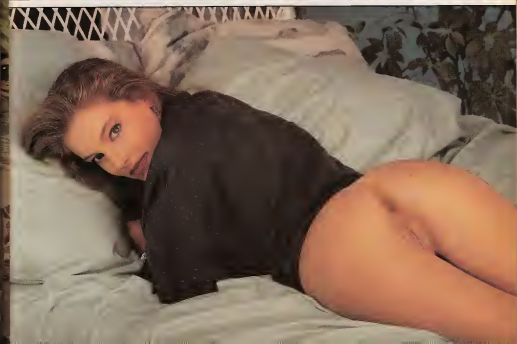

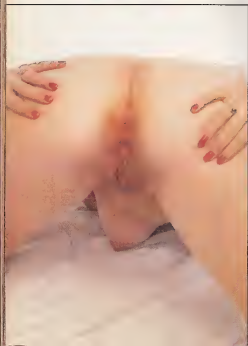

BIG HOLES

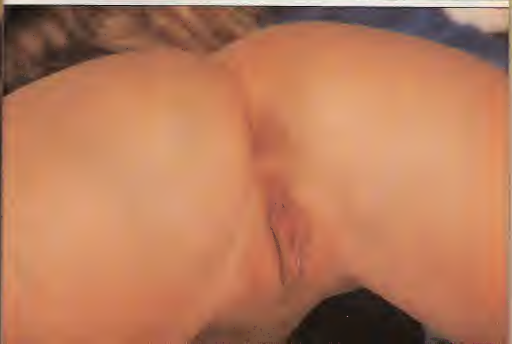

Amber

TAILENDS: Are you a full-time model?

AMBER: No, this is just a once-in-a-while thing.

TAILENDS: For the extra money?

AMBER: Yes, and for the extra thrills.

TAILENDS: So, like any number of women who've appeared here, you get off on exposing yourself for the camera.

AMBER: There's that, but I have another use for these layouts. Meeting men.

TAILENDS: Care to elaborate on that?

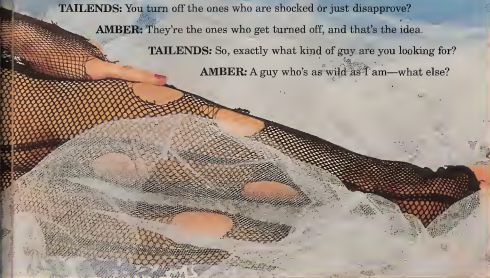

AMBER: I absolutely can't stand uptight, prudish guys. When I've had a couple of lunches with a guy, and it looks like things are going to go further between us, I pull out a copy of whatever magazine I posed for. What happens with us after that depends on his reaction.

TAILENDS: You turn off the ones who are shocked or just disapprove?

AMBER: They're the ones who get turned off, and that's the idea.

TAILENDS: So, exactly what kind of guy are you looking for?

AMBER: A guy who's as wild as I am—what else?

A photograph of a woman from behind, standing with her back to the camera. She is wearing a black spaghetti-strap top, black lace-trimmed underwear, black sheer tights, and black high-heeled shoes. Her legs are spread wide apart, and she is standing on a light-colored stone or concrete surface. In the background, there is a large white classical pillar. To the left of the pillar, there are green trees and a grassy area. The overall scene is outdoors. The text "asses outside" is overlaid in a red, stylized font across the lower half of the image.

HAIRY BACKSIDES

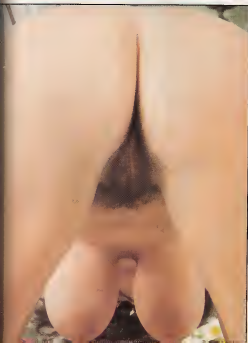

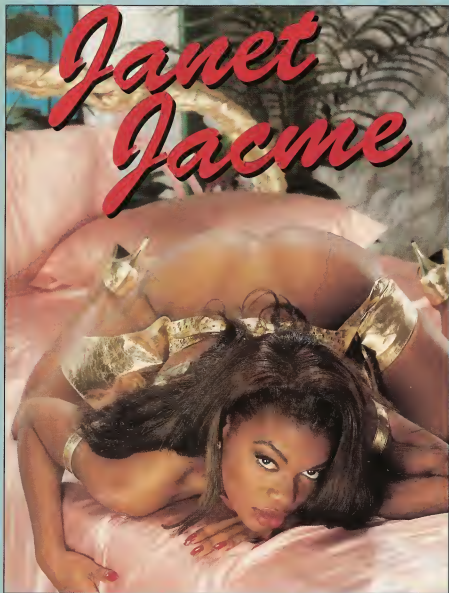

Said to have one of the best butts in the porn industry, this fiery ebony sex star makes the X-rated screen sizzle.

TAILENDS: Hot body, great butt...is that why your sex scenes are so hot?

JANET JACME: Of course that helps, but I am a real actress.

TAILENDS: But you enjoy your work. Do you have to act?

JANET JACME: Knowing that I'm being filmed turns on the actress in me...how can I put this? Look, a girl with no acting ability can have an orgasm for real, and viewers might think it was faked, anyway. I can get off and look like I'm getting off—that's a critical difference.

TAILENDS: And you become the character you're portraying, just like in so-called legitimate films?

JANET JACME: That's right. I'll be the nympho secretary, the repressed librarian...whatever the scene calls for, that's what I'll be.

TAILENDS: You worked with the porn actor Julian St. Jox, right?

JANET JACME: Right! I love working with him. You may notice that I yell a little louder when I've got that prick of his in me.

TAILENDS: He does your butt?

JANET JACME: Put it this way. I have three sex holes, and I'll put all of them to work when I'm making a film.

TAILENDS: Can you name a couple of your favorite flicks?

JANET JACME: Well, I like just about all of them. Let's see...there's *Ass Capades*, *Rumpshaker*, *Erotica*, *Mo' White Trash*, *In Loving Color*, numbers 1-4.

THE EDITORS

Dear **TAILENDS**:

My girlfriend here didn't want to be photographed totally nude, so as a joke I suggested she put on the wrap you see in this picture. To my surprise, she said she was covered enough, so here's her ass, blue fringes and all.

Steve
Florida

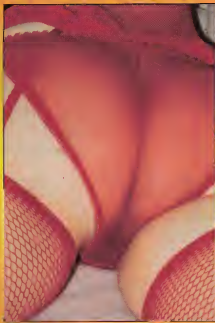

Dear **TAILENDS**:

Can you get more explicit than this? Is there anyone out there who gets off on just assholes and not pussies? No and no way, and I'm sure you'll print this shot of me in all my ready-to-get-fucked glory.

Janice

T E D !

BEHINDS IN THE WORLD!

Dear TALENDS:

Shaved lips, tight asshole. What else could you need for your contest? What else could I possibly need for my hard-on?

Alex
California

Dear TALENDS:

Your magazine is the best, and the only change I'd suggest you make is expanding your amateur photo section. Here's a shot of a great tail, and I know her pussy will get wet when she sees this picture in your contest section.

Paul
California

Dear TALENDS:

She asked me if the pose was suggestive enough, and I told my wife that it was so suggestive, I was ready to drop the camera and start fucking. She insisted I take her picture first, then your readers know what happened right after.

*Carl
New York*

Dear TALENDS:

I'm sending a photo of the most perfect ass I've ever seen—outside the pages of TALENDS, that is. How can you resist printing this beautiful butt shot?

*Armand
Illinois*

Dear TALENDS:

Even though I'm horny all the time, I'm not unpatriotic, as you can see in this photo. I'd love to see my tush in your magazine.

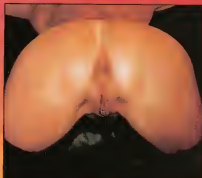

*Gloria
Oregon*

Dear TALENDS:

My wife's nickname is "Honey," and that's the perfect word for her luscious front and back holes. She usually doesn't walk around naked in the house, but she made an exception for this photo.

*Harvey
California*

Dear TALENDS:

Big, bare and beautiful, that's my wife's ass. After I photograph her, she begs me to fuck her asshole, or she'll make me watch while she gets it on with one of her bisexual girlfriends. Other guys? Sorry, no way—this ass is mine.

*Jerome
Pennsylvania*

Dear TALENDS:

I'm up high, and I'm looking for a hard one. Hard cock, as if you didn't know. First in my pussy, to get it nice and wet for where I want it next, which is guess where.

*Sheila
New Jersey*

Dear TALENDS:

This is my girlfriend. We love using our tongues on each other. She weighs about 104 pounds, so this one is for all you guys who like skinny women.

*Craig
Missouri*

Dear TALENDS:

I love your magazine and all the luscious backsides in it. I just hope that mine meets your very high standards. Whenever I'm "bad," my husband spansks me—and I'm bad a lot! One of the bad things I love to do is show my ass and pussy to anyone who'll look. So, please print my picture for every guy in the country to see.

*Amelia
Colorado*

Dear TALENDS:

Just my telling you how much I love TALENDS wouldn't be enough, so I had to show you. How can you not print this one?

*Claire
Connecticut*

Dear TALENDS:

That's right, her pussy is shaved, and I'm damn sure that your readers will get off on looking at my wife's cunt and asshole.

*Marty
Florida*

Dear TALENDS:

My wife's covered up for this photo, but not because she's shy—her cunt and asshole are so hot, they'd melt the lens off my camera if I tried to shoot her bare!

*Ken
South Carolina*

Dear TALENDS:

I'm a full-time professional erotic entertainer, and a part-time fitness trainer. There's two ways to get my motor running: a good spanking, or a good tongue job on my butthole. Of course, I love a good butt fuck, too.

Alice
Florida

Dear TALENDS:

Your magazine always makes my boyfriend horny, and that's what I love best about your magazine. He'll look at a few pictures, then he'll do things to my ass with his tongue.
